## A TRUE URBAN OASIS HAS TAKEN ROOT IN DOWNTOWN DALLAS

Belo Garden is dedicated to the employees of A. H. Belo Corporation and Belo Corp., past, present and future. It is a quiet space where fountains drown out traffic and a grass hill shelters the interior park. Hardy, colorful Texas Black-Eyed Susans complement Green Ash and Autumn Blaze Maple trees. Early spring flowers will fade to late summer grasses, and golden fall leaves will give way to red twigs and berries in winter.

Belo Garden is a serene sanctuary for Downtown residents, employees, visitors and students. The park is open 5:00 a.m. – 11:00 p.m. and free to the public. We've taken root, now it's time to bloom.
